Dealing with communication issues	
Asking the interviewer to repeat the question	▪ Could you please repeat the question? ▪ Sorry, I didn't catch that. Could you say it again? ▪ Sorry?
Clarifying the question	▪ Sorry, do you mean (that) + **clause**? ▪ Let me just check if I understand you correctly. Do you mean...? ▪ Do you want me to speak about + **noun**/explain + **noun**...? ▪ Could you explain what you mean by + **noun/V-ing**...?
Signaling understanding	▪ I got it. Thank you! ▪ Ah, I see what you mean. Thanks for clarifying. ▪ Now I understand. Thanks a lot.
Buying thinking time	▪ Well, let me think about that for a moment. ▪ I'd like to give that some thought. ▪ Well, it's difficult to say exactly, but… ▪ I'm not quite sure, but I think… ▪ I'm afraid I don't know exactly, but here's a thought.

Dealing with technical issues
▪ Sorry, you're on mute. ▪ Can you please unmute yourself? ▪ Sorry, you're breaking up. ▪ The Internet connection is spotty. ▪ Can you hear me well? ▪ Sorry, the connection is not stable. I'll call you back in a minute. ▪ I guess it's an issue on your end.
